Library Mask Safety Policy

All persons entering the library must wear a face covering and must maintain a six-foot distance from all other persons when practicable.

Reasonable accommodations such as curbside service and online resources are available to those who are medically prevented from or decline to wear a face covering. Those refusing to wear a face covering and/or to maintain six-foot distance when practicable shall be required to leave the library.

This policy shall be lifted when the governor lifts the state's mask mandate and the Illinois Department of Public Health declares that DeKalb county has reached a *Moderate* or *Low* COVID-19 community transmission level.
